

Welcome Back Students

We hope your summer was great! Please stop by and tell us all about it. We have many initiatives cooking at Crossroads that might interest you.

Homecoming in the Ferguson Center

We are meeting with campus organizations to plan activities in the Ferguson Center during Homecoming week. The schedule is looking great.

National Hispanic Latino Heritage Month

We are working with university departments and campus organizations to complete the calendar for National Hispanic Latino Heritage Month. The Poster looks beautiful. Deadline for your event to be listed on the poster is August 22. This year we are hosting a photo exhibit in the Ferguson Center entitled *UA and the Hispanic Latino World*. Let us know if you would like to be involved.

Sustained Dialogue

Sustained Dialogue is recruiting participants early in the fall semester. Through Sustained Dialogue, students participate in dialogue groups that discuss important social issues and work toward addressing these issues. Sustained Dialogue is an opportunity to get to know people you would not otherwise meet. For more information, explore the Crossroads website or visit www.sdbama.org.

Veteran's Day

You are invited to help us observe Veteran's Day, November 11. If you are interested in participating in this important observance, let us know.

National Native American Heritage Month

November is National Native American Heritage Month, and You are invited to help us plan our campus observances.

We invite your participation in every one of our programs!
